Dear Senior Class of '58:

You are now completing your public education and it is in order to extend to you, "Congratulations!" for your perseverance and final achievement.

You are standing on the threshold of a new and exciting life. Commencement is truly the beginning-the beginning of greater accomplishments and greater responsibilities. In this connection, you may rest assured that you can depend on us to render the best possible service to you and your community in every way that we know how. Your problems, either insurance or in civic affairs, are of prime interest to us.
